

MUSLIM SUPERHEROES

PROPHETIC SUPERPOWERS FOR EVERYDAY HEROES

Description

Our kids are capable of incredible things.

In a world full of challenges, we want to empower them to confidently navigate life's challenges.

What if they could tap into their own super strength, inspired by the Prophets?

Over eight weeks, we'll explore eight prophetic "superpowers" that will help your child develop noble characteristics—like *patience, courage, and hope*—so they can become superheroes, too.
