WHAT YOUR CHILD WILL LEARN THIS YEAR

FUN, STRUCTURED ISLAMIC LEARNING

WHY THREE TRACKS?

A complete Islamic education isn't just information, it's understanding, character, and belonging, together. That's why every Muslim Treehouse course fits into one of three tracks.

A TRI-COLOR BREAKDOWN:

ISLAMIC STUDIES:

Children develop a coherent understanding of what Muslims believe, why Muslims worship, and how to build a meaningful relationship with Allah.

ISLAMIC CHARACTER:

Children develop virtues, habits, emotional strength, and the ability to make principled decisions.

ISLAMIC LEADERSHIP:

Children learn to live Islam confidently at home, at school, with friends, and in the wider world, and to use their faith and character to positively influence others.

✦ A WEEK IN THE TREEHOUSE ✦

- **2 LIVE CLASSES PER WEEK -- 45–60 MIN EACH**
- **FAMILY ACTIVITIES AND REFLECTION CHALLENGES BETWEEN CLASSES**
- **ACCESS TO A GLOBAL COMMUNITY OF MUSLIM KIDS**
- **EVERY CLASS RECORDED, REPLAY ALWAYS AVAILABLE**

✦ WHAT WE'VE SEEN ✦

We've seen it happen again and again: when a family joins us for just 3 weeks in a row, something changes. Kids stop seeing Islam as a rule, and start loving it.

ALL COURSES ARE FOR AGES 7–12.

RAMADAN AND EID DATES ARE APPROXIMATE AND SUBJECT TO MOON SIGHTING.
